Title (EN): Maternity Care Initiative Excellent
maternity and newborn care

Abstract description (EN):

Maternity Care Initiative Excellent maternity and newborn care is the petition published on the website in Slovene language; short version in English language, too. In 15 steps main points for improvements in maternity care in Slovenia are presented, like respecting human, woman and patient rights, establishing one midwife-one woman uninterrupted care, organising health care system to include safe out-of hospital birth etc. The society Natural Beginnings invites people to join them and support their efforts with vote. In september 2010 they presented the initiative with signatures to the Ministry of Health of the Republic of Slovenia. Collecting signs from Slovenia and abroad is still going on.
