Grant allocations to fight against alcohol, narcotics, tobacco and Doping

**Abstract description (EN):**

The Swedish National Institute of Public Health has on the behest of the government allocated grants to local, regional and national actors and organisations which are running projects and activities to tackle the use of alcohol, narcotics, tobacco and doping. Gender perspective is a prerequisite requirement for projects grants aiming at preventing the use of alcohol, tobacco, narcotics and doping.

**Keywords:**

grant allocations, tobacco, alcohol, narcotics doping, gender p
