Title (EN):

Co-ordinators for equal opportunities for women and men within ministries

Abstract description (EN):

Ministers shall appoint for their respective fields of work an official within the ministry who shall perform the duties of a co-ordinator for equal opportunities for women and men. She or he shall be responsible for the implementation of duties within the competence of the ministry on the basis of Act on Equal Opportunities for Women and Men. In the course of the preparation of regulations and other measures that apply in the fields which are relevant for the establishment of equal opportunities, ministries shall take into consideration the gender equality perspective, work together for this purpose with the Office for Equal Opportunities and take into account its suggestions and opinions. Ministries must obtain the opinion and suggestions of the Office for Equal Opportunities with regard to proposals of laws and other documents relating to the fields of work that are important for the establishment of equal opportunities, before these proposals are submitted to the government for decision. The Office for Equal Opportunities and ministries, within the framework of their competencies, shall study and investigate other forms of gender based discrimination that represent an obstacle to the establishment of equal opportunities, as for instance violence arising from unequal gender relations, and take them into consideration in their measures intended.

Title (Original Language): Koordinatorice in koordinatorji za enake možnosti v ministrstvih

Abstract description (Original Language):

Ministrice oziroma ministri vsak za svoje delovno področje določijo uradnico oziroma uradnika v ministrstvu, ki opravlja naloge koordinatorice oziroma koordinatorja za enake možnosti žensk in moških. Ta skrbi za izvajanje nalog, ki jih ima ministrstvo na podlagi Zakona o enakih možnostih žensk in moških (ministrstva pri pripravi predpisov in drugih ukrepov, ki posegajo na področja, pomembna za ustvarjanje enakih možnosti, upoštevajo vidik enakosti spolov, pri tem sodelujejo z Uradom za enake možnosti ter upoštevajo njegove predloge in mnenja. Ministrstva morajo pridobiti mnenje in predloge Urada za enake možnosti o predlogih zakonov in drugih aktov, ki posegajo na področja, pomembna za ustvarjanje enakih možnosti, še preden jih pošljejo vladi v odlocitev. Urad za enake možnosti in ministrstva v okviru svojih pristojnosti spremljajo in preučujejo tudi druge oblike diskriminacije zaradi spola, ki predstavljajo oviro za ustvarjanje enakih možnosti, kot na primer nasilje, ki izhaja iz neenakih razmerij med spoloma, ter jih upoštevajo pri svojih ukrepih).
